GUIDELINES FOR DIALOGUE TRANSFORMING OUR ENCOUNTERS WITH OTHERS

Learning to explore faith in healthy ways is an important skill for life. These simple guidelines ensure a safe place for young people to talk faith, make friends and change lives.

- **Listen to what everyone has to say**

- **Do not tell others what they believe, but let them tell you**

- **Do not force people to agree with your views**

- **Acknowledge similarities and differences between our faiths**

- **Speak positively of your faith, rather than negatively about other people’s**

- **Make every effort to get along with everyone regardless of their faith, gender, ethnicity or age**

- **Do not judge people here by what some people of their faith or community do**

- **Do not treat someone as a spokesperson for their faith or culture**

- **Be honest in what you say**

- **Respect other people, even if you disagree with their views**

- **At any stage you can ask for a discussion to be stopped if you feel uncomfortable**
